

	<p style="text-align: center;">BIGDEE: ORIGINAL ROCK AND ROLL SONGS MADE IN ITALY</p> <p>This is Danilo Molaschi (aka BigDee) and Vincenzo Rucci, two guys from Italy that have been playing around a lot; in particular, in Nashville (Tennessee) we have played in the most glorious venues of the “music city”. Not least, we are members of NSAI (Nashville Songwriters Association International).</p> <p>We produce original songs and we play with many good musicians that are interested in our stuff. Many international radios (mainly from US, UK and Germany broadcast our music)</p>
	<p style="text-align: center;">PUT A HUNDRED DOWN AND GET AN UNIQUE RECORD FROM US!</p> <p>We record music as it, as it comes by inspiration and the way we <u>can</u>. This is rock and roll according to BigDee.</p> <p>We don’t record to sell copies (this market is a “dead fish”), but to let them to be broadcasted by radios or listened on Soundcloud™.</p> <p>We can produce for you an original version of our songs (download our catalogue on www.bigdeerock.com). You can make a request at events@bigdeerock.com and we’ll send you instructions. To get a unique certified record from us costs only 100 € (today). If we become popular, it could be also a very good investment.</p>
	<p style="text-align: center;">WE COME AND PLAY LIVE!</p> <p>Write to events@bigdeerock.com to book one of our gigs. We play as a band (four people), acoustic duo or piano solo, depending on your request and needs.</p> <p>We can play a four hours repertoire (Nashville Standard) gigs. We usually play our songs and, hardly ever, covers, as long as they represent our philosophy.</p> <p>Bigdee loves to involve other musicians in intercontinental jam sessions, based on their songs. Inquiry us directly to get our best references at events@bigdeerock.com</p>
